

Apple Street Market Board Meeting

3/4/2021

Online

Board Members: Kristen Barker, Paloma Correa, Heather Zoller

Others: Heather Sturgill

Check-Ins, Agenda

- Agenda approved
- February minutes reviewed but not voted on (need for quorum)

Finances

- Continued minimal spending
- \$7K+ available
- \$971 monthly payment of principal and interest to LEAF lone
- Funds being distributed from grants that must be spent

Project

- Discussion of status
 - The triangle site remains one of our last viable sites that could be available
 - We looked at more locations than we've listed in our newsletter article about the search process.
 - We also like the Gaslight property, but there is no timeline from the owners about the development of that property and no interest in working with ASM.
 - As a result, the Triangle was determined to be the only viable property
 - Some owners have expressed interest in a smaller store that would be less costly to open, but Morsel and Nosh is expanding their grocery offerings, so the small store with more costly options niche is being met.
 - The promise of ASM is affordability. A small store without AWG does not fit our mission.

Other Items

- Planning newsletter
- Gem City Market is opening soon
